

COVERS

[CERTIFICATE]

Padded certificate and diploma covers with silky moiré inner lining create a presentation that demonstrates your appreciation and recognizes accomplishment. Choose from seven sizes and over 1,000 different decoration combinations.

COVERS

[TURNED EDGE]

Add a unique look and professional touch to your next awards ceremony with over 50 in-stock material options. Turned Edge certificate covers are available in hardcover or padded styles with matching corners and lining to accentuate your inserts. Sizes range from 4¼" x 6½" to 11" x 14".

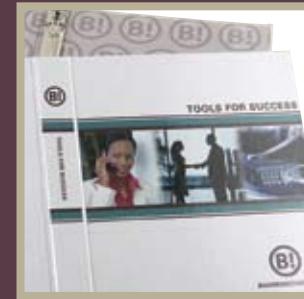

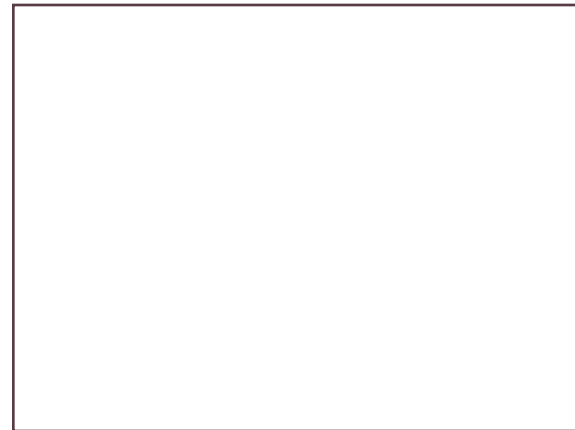

PADFOLIOS

[PROFESSIONAL]

Padfolios feature the finest padded vinyl cover material turned inside the Padfolio and stitched with quality, matching thread for durability and a professional look. Gold or silver metal corners reinforce the edges and enhance the elegance.

SELECT THE PERFECT PRODUCT TO FIT YOUR NEEDS!
Our presentation products are sturdy and effective organizers for presentation materials, directories, sales manuals, reference guides, product catalogs and much more!

[TURNED EDGE]

Turned edge binders deliver durability and style at an affordable price. Choose from a variety of cover materials and decoration options. Binders will accommodate 11" x 8½" or 8½" x 5½" documents.

These binders feature padded covers with a silver metal ring binding. The cover's outside material is folded slightly over each edge during construction and stitched around the binder's perimeter. Square corners are secured with silver metal edges to protect them from bending. Binders accommodate 11" x 8½" or 8½" x 5½" inserts and include two inside pockets.

[HEAT-SEALED]

These deluxe binders feature soft, textured vinyl that is heat-sealed and stitched around the outside of a padded board to create a binder of strength and appeal. Binders will accommodate 11" x 8½" or 8½" x 5½" documents.

[STANDARD & SMALL]

Durable vinyl binders feature metal spine-mounted rings for extended use. Binders will accommodate 11" x 8½" or 8½" x 5½" documents. Choose from eight ring sizes: ½" to 4" capacity (11" x 8½") and ½" to 2" capacity (8½" x 5½").

[POLY]

Poly binders are extremely durable, lightweight and provide an economical way to enhance your company's image. With poly binders, you select the thickness that is right for your application, from a thin, flexible weight to a heavier thickness. Binders accommodate 11" x 8½" documents and come in 18 standard colors.

[CUSTOM]

Choose to organize, accentuate, customize and create impact and clarity in your presentation by adding custom paper index tabs. Mylar tabs are built to last and priced to fit your budget! Our durable 90 lb. sheets have reinforced holes with a tear-protection edge and fit in all standard and small three ring binders.
